

Anti-Human CD119 (IFN- γ R α Chain) - Purified *in vivo* GOLD[™] Functional Grade

Product Information

Product No.: I-443
Isotype: Mouse IgG1

Product Description

Known Reactivity Species:
Human

Format:
in vivo GOLD[™], Purified in vivo Functional Grade

Purity
≥95% monomer by analytical SEC, >95% by SDS Page

Endotoxin
< 1.0 EU/mg as determined by the LAL method

Country of Origin
USA
