

Anti-Human TNF- α Adalimumab [Clone D2E7]

Product Information

Product No.: LT100
Isotype: Human Human
IgG1 κ

Product Description

Known Reactivity Species:

Human

Expression Host:

HEK-293 Cells

Format:

Purified No Carrier Protein

Purity

$\geq 98\%$ monomer by analytical SEC, $> 95\%$ by SDS Page

Endotoxin

< 1.0 EU/mg as determined by the LAL method

Country of Origin

USA
