

# Anti-Human CD49D (Integrin alpha 4) (Natalizumab) [Hu114]

## Product Information

**Product No.:** LT1100

**Isotype:** Human Human  
IgG4κ

## Product Description

### Known Reactivity Species:

Human

### Expression Host:

HEK-293 Cells

### Format:

Purified No Carrier Protein

## Purity

≥95% by SDS Page, ≥95% monomer by analytical SEC

## Endotoxin

< 1.0 EU/mg as determined by the LAL method

## Country of Origin

USA
