

Anti-Human CTLA-4 (Ipilimumab) [Clone MDX-010]

Product Information

Product No.: LT1600
Isotype: Human Human
IgG1κ

Product Description

Known Reactivity Species:

Human

Expression Host:

HEK-293 Cells

Format:

Purified No Carrier Protein

Purity

≥95% by SDS Page, ≥95% monomer by analytical SEC

Endotoxin

< 1.0 EU/mg as determined by the LAL method

Country of Origin

USA
