

# Anti-Human IL-6R (Sarilumab)

## Product Information

**Product No.:** LT1700

**Isotype:** Human Human  
IgG1κ

## Product Description

### Known Reactivity Species:

Human

### Expression Host:

HEK-293 Cells

### Format:

Purified No Carrier Protein

### Purity

≥95% by SDS Page, ≥95% monomer by analytical SEC

### Endotoxin

< 1.0 EU/mg as determined by the LAL method

### Country of Origin

USA
