

# Anti-Human IL-2R alpha (CD25) (Basiliximab) - Fc Muted™

## Product Information

**Product No.:** LT305

**Isotype:** Human Human  
IgG1κ

## Product Description

### Known Reactivity Species:

Cynomolgus Monkey, Rhesus Monkey, Human

### Expression Host:

HEK-293 Cells

### Format:

Purified No Carrier Protein

## Purity

≥95% by SDS Page, ≥95% monomer by analytical SEC

## Endotoxin

< 1.0 EU/mg as determined by the LAL method

## Country of Origin

USA
