

Anti-Human IL 12/23 (Briakinumab)

Product Information

Product No.: LT500
Isotype: Human IgG1?

Product Description

Known Reactivity Species:
Human

Expression Host:
HEK-293 Cells

Format:
Purified No Carrier Protein

Purity
?95% monomer by analytical SEC

Endotoxin
< 1.0 EU/mg as determined by the LAL method

Country of Origin
USA
